

# Dynamic packaging

The screenshot shows a travel website interface. At the top left is a red 'LOGO' box. Below it is a 'Flight Search' section with dropdown menus for Departure, Arrival, Check-in, and Check-out, and a 'Search' button. To the right is a large image of a tropical beach with palm trees. Below the image are three steps: '1. choose top destination' (listing Pernambuco, Alagoas, Ceará), '2. ..or top cities..' (listing Porto De Ga..., Rio De Jane..., Canoa Quebr..., Maragogi), and '3. and set your dates !!' (with a 'Month' dropdown and 'choose one' button). Below these is a 'FLIGHT PROMOTIONS OPERATIVO VOLI' section with a 'VILLAGGI ROGER CLUB' logo. The main content is 'LAST MINUTE PACKAGES & VOLI', featuring a table of flight packages and two detailed package cards. The table lists routes like Malpensa-Fortaleza-Malpensa with dates. The cards describe packages like 'LONG BEACH VILLAGG' and 'MIRAMAR MARAGOGI' with prices and details. At the bottom left are navigation links: 'Sfoglia online', 'Lista altri Hotels', 'Sfoglia il catalogo PDF', 'OFFERTE SPECIALI', 'Ns. escursioni', and 'Condizioni Generali'. At the bottom right is a footer with 'Contatti | Agenzia | Booking | Condizioni Generali | Privacy |'.
