ELETRONIC CATALOGUE

- ❖ **Electronic Catalogue updated in real time** (further proposals “out of catalogue, price adjustment etc).
- ❖ The **approach to consultation** is **completely modular**, it can be made by geographic area, period, type of accommodation, or promotion, all from the T.O. web site or directly from supplier.
- ❖ **Insertion** in the Dynamic Catalogue and the **automatic updating of availability and tariffs** of hotels, flights, transfers and excursions.
- ❖ **Extremely flexible management of travel proposals**, making it equally easy to book and organise as a complete package “à la Carte”.
